

## **MY PUTTER PAL PUTTER HOLDER**

### **ABSTRACT**

**In a golf club carrying system, a simple, attractive, sleeve-like, removable device for attaching to the exterior surface of a golf bag, for holding a golf club or other implement. The device is securely and removably attached externally to a golf bag. The device holds, isolates and protects an inverted golf club or other implement during a round in the game of golf, and the golf club or other implement is readily and conveniently accessible by a golfer.**
